*Delivering leadership for the development of Connected and MHealth markets and practice across Europe and beyond*

### Opportunity...

-  **For health and wellbeing stakeholders to showcase their ideas and broker partnerships**
-  To hear a 'first-person' account from a patient on how their life was transformed by digital health
-  To work with us to shape priorities, direction and focus of the Ecosystem for the coming year
-  To get up to speed by hearing from key people involved in priority, large scale digital health projects across the region
